

DON'T EXPERIMENT.

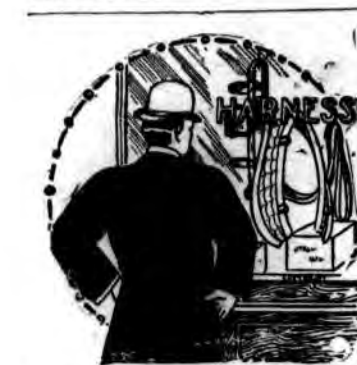

You Will Make No Mistake if You Follow This Holley Citizen's Advice.

Never neglect your kidneys. If you have pain in the back, urinary disorders, dizziness and nervousness, it's time to act and get to work. These are all symptoms of kidney trouble, and you should seek a remedy which is known to cure the kidneys.

Don't's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases of kidney trouble. Follow the advice of a Holley citizen and be cured yourself.

William Lavender, Canal St., Holley, N. Y., says: "I was afflicted with kidney trouble, and after many experiments, I found that Don't's Kidney Pills was the only remedy that cured me. I am now well and the kidneys have become normal. We think highly of Don't's Kidney Pills."

Greatest Use of Brass.

According to the American Machine the greatest single consumption of brass is for condenser tubes, a battle-ship uses from 10,000 to 20,000 pounds of condenser tubing in it, and, owing to the corrosive effect of sea water, this tubing must continually be replaced. The material used is usually either Muntz metal—60 per cent copper, 40 per cent zinc—or else a mixture of copper, 70, zinc, 29 and tin.

Flowers for Table.

In selecting flowers for decorating a table a great deal of thought should be given to the subject of color. The room itself must be considered, the color of the china to be used and, if possible, the colors of the gowns to be worn at the table.

Problem of India's Development.

Danzel and intoxicated by western ideas, the Hindu student is only too prone to clamor for their immediate adoption in the east, ignoring altogether the complex and firmly-established conditions which make all the difference between success and failure—London Daily Telegraph.
